USCGC Mackinaw WAGB-83 in Escanaba, MI

Our office recently received this photo of the Icebreaker from Paul Bissell, taken as it arrived at the municipal dock in Escanaba. According to Paul, the picture was taken “2-4 years prior to its decommissioning.”
Shore assistance was provided by C.G. Auxiliary Unit Escanaba.

Looks cold, doesn't it? So, when you're tempted to complain about the heat, let this be just a little reminder that winter IS coming.

HURRY! *Time's A-Wastin'!*

Our 18 month calendar runs from July 2019 through December 2020. If you haven't ordered yours, you've lost an entire MONTH that you could have been enjoying this brilliant photo! To order, call Robin @ (231) 436-9825
